

YOUR WORKSITE'S OWN NEWSFEED

Cribber will give you access to worksite information that matters to you. This could include things like: emergency contacts, project updates, reward and recognition, community notices, pre-start info, and toolbox topics.

You'll receive an **SMS invite** to your new Cribber team.

1. Click the SMS link to install and open the Cribber app.
2. Confirm your mobile number and set a PIN you'll remember.
3. Tap the Accept Invite button and enter the Team Passcode if required.
